

Onya Bike

©2017 Health Songs International

Chorus

Onya bike, onya bike
Ya gotta be safe onya bike
It's up to me and it's up to you
You gotta be safe whatever you do

Verse 1.

I'll do my best to be safe on my bike
Wear my hiviz jacket and my helmet every time
And when I take my bike to school
I'll be sure to follow the rules
And when I ride my bike at night
I'll use reflectors and a big head light
Be all lit up like a Christmas tree
Now here comes the fun part shout with me

Noa, taha, ua, tolu (Tongan for 1,2,3,4)

Chorus

Onya bike, onya bike
Ya gotta be safe onya bike
It's up to me and it's up to you
You gotta be safe whatever you do

Verse 2

If you're driving through the neighbourhood
In the town or country it'd be good
If you'd slow down, reduce your speed
Give us some space that's what we need
We'll be sure to go single file
You can wave if you like we'll return it with a smile
And all the tamariki will be happy and safe
But it's up to us to keep it that way

Are you ready are you steady, do it high or low
It's the whistling challenge, come on let's go.

Whistling challenge

Chorus

Onya bike, onya bike
Ya gotta be safe onya bike
It's up to me and it's up to you
You gotta be safe whatever you do
